

Dear 4th Grade Students,

I am excited to announce that your required Summer Reading book is **Because of Winn-Dixie.**

Please read this book during the summer and complete the attached paper summarizing the book. You will need to complete the page by summarizing the book as well as listing the main characters with descriptions, the setting, and the moral of the story.

In addition, you will complete a Movie Poster related to **Because of Winn-Dixie.** Please read the directions very carefully as you will need to follow certain steps. I am hoping this will be a fun exciting way to show off the story and what you enjoyed about it.

The paper I have included is just a sample where you will sketch your poster. You should create the movie poster on a piece of paper at least the size of 16 x 20. Please make sure you include all of the items listed on the poster information page.

Each of these items for **Because of Winn-Dixie** will be due when we return to school on September 1, 2021.

I encourage you to read other books this summer as well. There are many exciting series of books to choose from to read this summer. Visit your local library and find some new authors and interesting books. ( Series such as A-Z Mysteries, I Survive, Who Would Win)

**Math:** I encourage you to practice math this summer as well. There are many local stores that sell "Review Books" that will review 3rd-grade math concepts. Please practice your multiplication timetables as we will introduce division and fractions in 4th grade.

I have included some free math websites for you to have some fun with this summer as well:

Have a wonderful summer and I look forward to September when we will all be together  
Sincerely,

Mrs. Joanna Pierce
