

Dear Parents,

Fostering a love of reading has many rewards! As your children assemble next year as the 8th grade class of Mother Seton Academy, we will join in the common purpose of growing in knowledge and faith through the love of books! So, throughout the summer, let us be connected through books in the magnificent world of reading.

As rising 8th graders, there will be two parts to summer reading:

- The first part of the eighth grade summer reading requirement will require students to read **A Wrinkle in Time by Madeleine L'Engle** . Students are also encouraged to read other books over the summer.
- The second part of summer reading will require students to complete **FOUR** of the attached activities. Each activity and project will be collected on the first day of school. This will be for a grade!

I hope this requirement will encourage your child to continue reading over the summer. Each student is required to bring their copy of the novel and all activities completed on the first day of school. I look forward to seeing you and your child in the fall!

Happy Reading!

Mrs. Heather Robinson (Language Arts Teacher)
